

**Request for Water Turn On
By Prospective Owner/Agent**

Date: _____

Account: _____

I, _____, request to have the water service turned on
(Prospective Property Owner/Agent)

at _____, on _____
(Street Address) (Date)

I understand that by requesting service be turned on prior to the close of escrow, I agree to pay all currently outstanding charges to the property in addition to the \$25.00 service charge to have the water service reconnected. I also agree to assume responsibility for future charges incurred from the date service is restored.

Should escrow fail to close as anticipated, the District **will not** refund any payments I have made on behalf of the current owner; I must negotiate reimbursement with the owner or his/her agent. Upon the close of escrow, the District may prorate charges from the date the property transfer is completed. In all cases, the \$25.00 reconnection fee is non-refundable.
